Skill Development training Centre is a platform to enhance the skill and make the students industry ready in Training is crucial for organizational development and its success which is indeed fruitful to both employers and employees of an organization. Here are some important benefits of training and development.

SAP: Business Intelligence Tools and Solutions

SAP means "Systems Applications and Products in data processing". The SAP Software system was developed in 1971 by five IBM engineers, Hopp, Wellenreuther, Hector, Tschira and Plattner, who worked together on an internal project. In June 1972, they left IBM and founded the SAP company.

TATA STRIVE

Tata STRIVE is the skill development initiative of the Tata Community Initiatives Trust under the aegis of Tata Trusts, addressing the pressing need of skilling India's youth for employment, entrepreneurship and community enterprise.

GENERATION INDIA

Our mission: We transform education to employment systems to prepare, place and support people into life-changing careers that would otherwise be inaccessible.

AWS re/Start is a free, full-time skills development program to jump-start your career in cloud computing. A technology background is not required to apply and the program is focused on unemployed and underemployed individuals.

AWS re/Start and Generation India have teamed up to offer this free, online program. Through scenario-based learning, hands-on labs, and coursework, learners gain the skills they need for an entry-level cloud role. You’ll learn all you need to be successful in a cloud technology career – from the coding languages & technical knowledge of cloud computing to the employment skills that will help you achieve your potential. After you graduate, Generation India Foundation will connect you with employers and help you move into your new working life.

Cost to eligible learners: FREE (The program is free for all applicants. A security deposit of INR 5,000 shall be collected at the beginning of the program which will be fully refunded on successful completion of the program. Please note that your refund will only be processed if you have completed the program with minimum attendance of 75%.)
